

Additional Resources about Workplace Violence Prevention and Intervention

There are several booklets that provide information on workplace violence prevention and intervention. The United States Department of Homeland Security published a booklet in 2008 called: *Active Shooter: How to respond*. The 13-page booklet is available for download from:

https://www.dhs.gov/xlibrary/assets/active_shooter_booklet.pdf

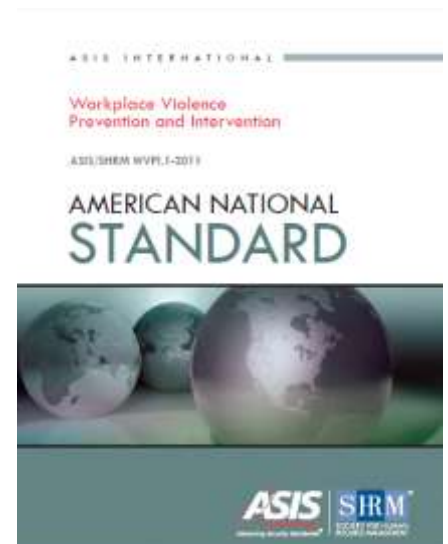

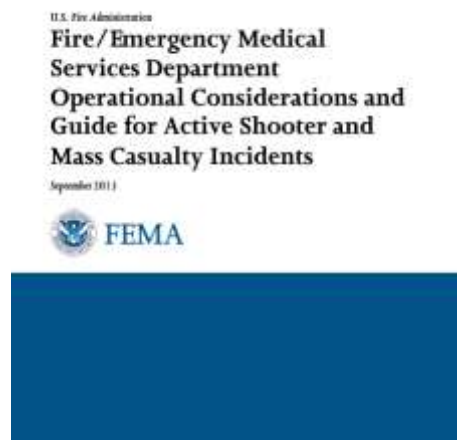

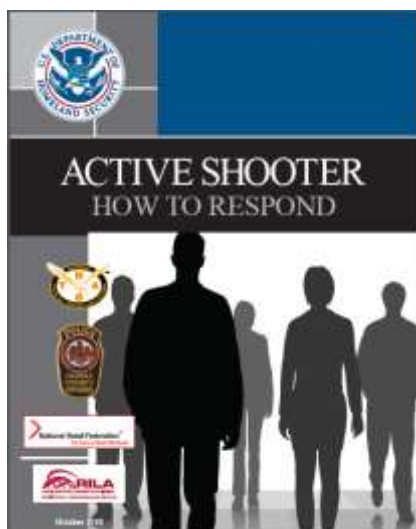

The United States Fire Administration, part of the Federal Emergency Management Agency (FEMA) and the US Dept of Homeland Security published a booklet in 2013 called:

Fire/Emergency Medical Services Department Operational Considerations and Guide for Active Shooter and Mass Casualty Incidents. The 17-page booklet is available for download from:

https://www.usfa.fema.gov/downloads/pdf/publications/active_shooter_guide.pdf

ASIS International, (formerly the American Society for Industrial Security) and the Society for Human Resource Management published an American National Standard for workplace violence prevention and intervention. The 2011 standard is a 78-page publication available from:
